

POL&NILE

MISSION AND VISION

POL&NILE's mission is not just to do business, but to build something that makes the world a BETTER PLACE.

POL&NILE's vision is to create a platform for collaboration and the sharing of knowledge and experience to lay the foundation for a better future.

Commitment, passion and customer orientation will enable us to create the conditions for the economic and social development of our business partners. By supporting them to succeed in new markets, we will shape a better quality of life through, among other things, the implementation of innovations.

SEVEN PRINCIPLES FOR GOOD COLLABORATION AND INNOVATION

- 01** Open-mindedness
- 02** Partnership and collaboration
- 03** Integration and sharing of results
- 04** Network activities beyond the capacity of an individual
- 05** Competition
To compete well with each other, you need to be able to work well together
- 06** Having a leader
Motivation, division of tasks, supervision of the implementation and progress of projects
- 07** Imagination and anticipation
